[§] Plan of study is a sample. Actual plan of study subject to change based on advising and student goals.

#This plan of study assumes the **foreign language** is completed prior to admission to the university. If a language is required, students may elect to take these courses as electives.

W course requirement: Students are required to take 2 “W” skill coded courses. DIET 3231W satisfies the “W” in the major. Students may take the second “W” as a general education or elective.

** Q course placement is based on Math SAT score and Class Rank. Please consult with your academic advisor prior to registering for Q courses.

These courses need not be taken in the semester indicated; however it is strongly recommended that they be completed prior to the junior year.
